

# STOP BULLYING

Together we can!

Bullying is a common phenomenon that happens in all countries and to people regardless of their age by people(s) who think other is inferior. Especially nowadays which is the most common phenomenon who are afraid to speak up to teenagers, and ask for help to someone

- Ways to face this problem
1. Ask for help from older people for example teachers
  2. They also can speak back without fear
  3. Don't be afraid to hit back the other person
