

Cyberbullying is a very serious problem which affects young people all around the world.

It is when somebody uses a computer or a mobile phone to embarrass or pick on somebody else.

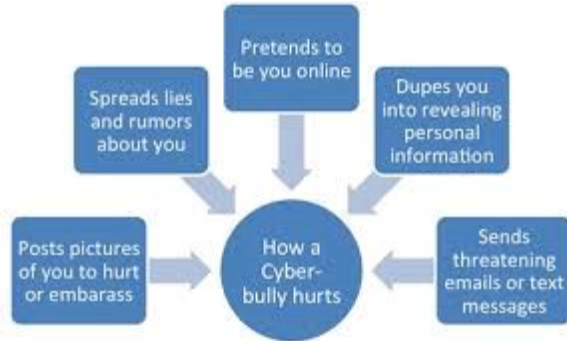

STOP!
BLOCK!
TELL!

The causes the bullies are bullying their victims are : they are jealous of them or they were bullied and were victims in the past or maybe they had a bad childhood or problems at home with their parents.

Cyberbullying – vs – Bullying

Bullying	Cyberbullying
Face – to – face	24 hours a day, 7 days a week, 365 days/yr
Can find a safe space or escape	No safe space – hard to escape
Limited to onlookers	Shared by a wide audience – can go viral in a mater of seconds
Bully can be identified	Bully can be anonymous
Can see facial and body reaction of target and onlookers	Harder to empathize with the target
	No geographical limitations
	The target can easily become the bully

The victims become pessimistic ,suspicious ,they don't trust the other people,they become aggressive and ill-tempered.

**TAKE A
STAND
AGAINST
CYBERBULLING**

*HELP OTHERS WHEN
THEY NEED IT

What we can do to stop cyberbullying is to do seminars or if you are a victim,ask for help from your parents or report it to the police.
