

## A DAY IN OUR LIVES

### A Small Survey on the Daily Activities of 10-year-old school children in Greece

What do 10 year old pupils do day-to-day? How do they spend their time on weekdays? The pupils of the 5<sup>th</sup> grade of the 19<sup>th</sup> Primary School of Acharnes give their answers

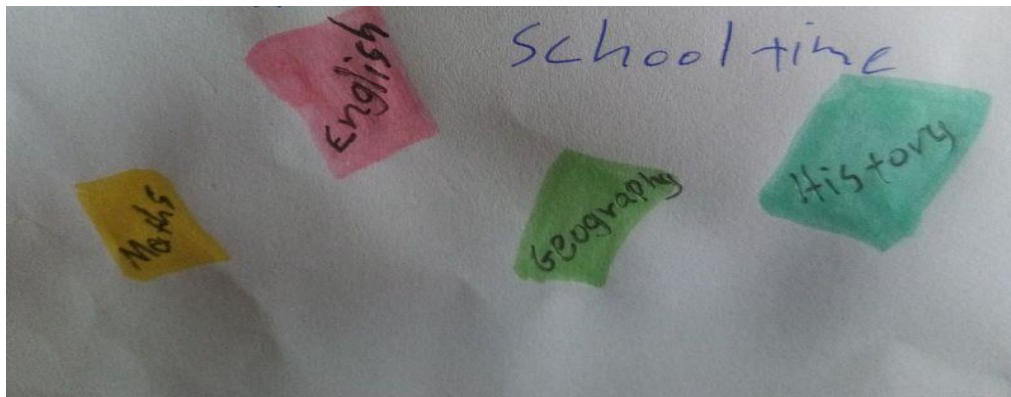

#### Morning

10-year-old pupils in Greece get up between 7 and 7:30 am. About 50% have breakfast at home. Some watch TV before school.

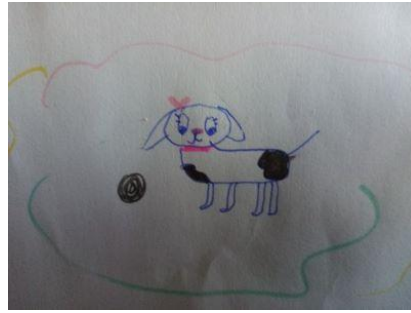

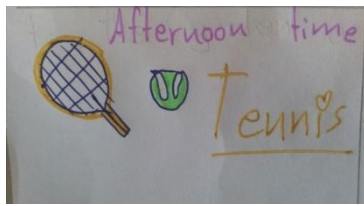

#### School Time

School starts at 8:15. Some pupils finish school at 13:15, some at 3pm and some at 4pm. At school pupils learn Math, English, Physical Education, French, Language, Geography, History, Science, Religion, Physical Education, IT and Citizenship. There are a lot of teachers for different subjects.

#### Afternoon

After school they do homework. Most pupils have evening classes, English and French. They also do sports. They play football, basketball and volleyball. They do gymnastics. They play tennis, too. Some of them practise boxing. In their spare time they play computer games, they love PlayStation and x-box. Their favorite games are Fortnite, Brawlstars, Vice on line, EAFC, Minecraft and Stumble Guys. They also play with their pets and go cycling. If there is time they meet friends for a little walk or games.

### Evening

Before bed they watch TV or programmes on NETFLIX and YouTube. They like <<To soi sou>>, <<Ise to teri mou >>, <<Para Pente>>,<<Inspector Gadget>>,<<Jurassic Park>>,<<The Flash>> and <<Spiderman>> and they also watch their friends' uploads on YouTube . Their bed time is between 9.30pm and 1 am!!!!
