THE TWELVE AND HALF

x2

Twelve and half, is it?

I see dark, they are inside

I can't believe it...(believe it)
their faces

Far, far away with blood on

I'm all Alone

And me to other way

My friends are far, with their baddies
mind

Watching them die, in my

I'm walking to home

They are fools, fools
broke it

My silent over the tall one

With knives on their hands

With his hands and his gun

Trying to kill me
changed me

He shooting me and he

(changed me?)

I see dark, they are inside

Far, far away with blood on their faces

me to other way

Watching them die, in my mind

I stayed with only one, the real one

Not, killed or in jail

Behind me, In silent he follows me...

Well this song is talking about my life in one month in this year. It was February at midnight, when I lost my friends but then I met my boy best friend who is the only real friend for me. Sometimes, I

make fake scenarios with them trying to catch me and me to running away with blood behind me. This blood is my memories with them.

Το “Black dress” το έγραψα μέσα στο καλοκαίρι. Ήταν μεσημέρι, καθόμουν στην αυλή του σπιτιού μου και έπαιζα κιθάρα, όταν μου ήρθε η έμπνευση. Φορούσα μαύρα εκείνη τη μέρα και για αυτό ονόμασα το τραγούδι μου έτσι. Το black dress δεν κρύβει καμία ιστορία, απλά φαντάζομαι τον εαυτό μου σε ένα λιβάδι με roses και με τον άνθρωπο που θα είμαι μαζί στο μέλλον.

THE BLACK DRESS

Not so good for me	I said “U are not for me”
Baby, go away from me da	Ta-da-da-da Ta-da-da-
Trying to forget this thing	I feel pretty, I’m petty
But baby, I want u, I want u	
	X2
See around and watching roses all I need	And my black dress is
See him getting closer red roses	Black diamonds and
With his song on his hand stand	Grow and see me
But he is still far away times	I see them too many
He will be there forever? Will he be? that forever	Do u think will be like
Never see him	Do you think that?
My black dress is all I need always pretty)	so pretty (pretty,
Black diamonds and red roses	
Grow and see me stand da-da-da-da x3	Pa-da-da-da-da-ta-
I see them too many times	
Do u think will be like that forever do you think that?	

Never see him so pretty

I took my guitar from my home and start playing in this dress

I'm watching the sun while, I sing

I got flowers from my man, the one with the hat

He said "U are to young to wear that"
