

What to see: I think that the best place you can visit is the island which located inside the lake and is the unique island where located in lake at the Greece.

Where/what to eat

I believe that the best restaurant in Ioannina is «Frontzou politeia» and it has the most delicious food.

Where to shop

Ioannina has a big market with famous fashionable stores and little, local shops.

What to buy

You can buy a lot of souvenirs for instance magnets and keychains depicting the city also a hat that shows the city or some T-shirts with the sights.

Where to have fun

There are a lot of night clubs which you can go with some friends or solo.
