

Peter Stefanakis from E1 wrote about his daily routine. Here is what he told us about an ordinary Thursday.

Ο μαθητής του E1 Πέτρος Στεφανάκης έγραψε για την καθημερινότητά του. Να τι μας είπε για μια συνηθισμένη Πέμπτη απ' τη ζωή του.

EVERY THURSDAY

Hi! I'm Peter, I'm ten years old and I live in Heraklion, Greece. Every Thursday I wake up at 7.00. I have breakfast, I check my schoolbag and I go to school.

We have lessons from 8.15 to 2.00. We learn Physics, IT, Social and Political Education, English, Maths and Geography. We have three teachers for all lessons.

When I go back home, I do all my homework and I finish at about 5.00. I ride my bike and I go home at 7.30. In my spare time I play on my computer or I read a book.

Before I go to bed, I watch a serial on TV from 9.00 to 10.00. Then I go to bed.
